2. Minutes & Matters Arising

Our main focus has been the school's Golden Years celebration. We have had a very special visit from Councillor Mearden and Mrs Stretton, Chair of Governors. They were very impressed with our school. Also Mr Pearson the project manager for the school's new build would like to visit the School Council for ideas.

3. Golden Years

The school council shared many ideas on the golden years again. The Council's main focus for ideas was on the wow beginning. The seeds for the 50 golden flower bed would be planted by Monday 25th of April. Also the School Council would like to be involved in digging the 50 design. There will be a visitor book for every decade the school has been opened with many pictures included.

4. Golden Years Wow Beginning

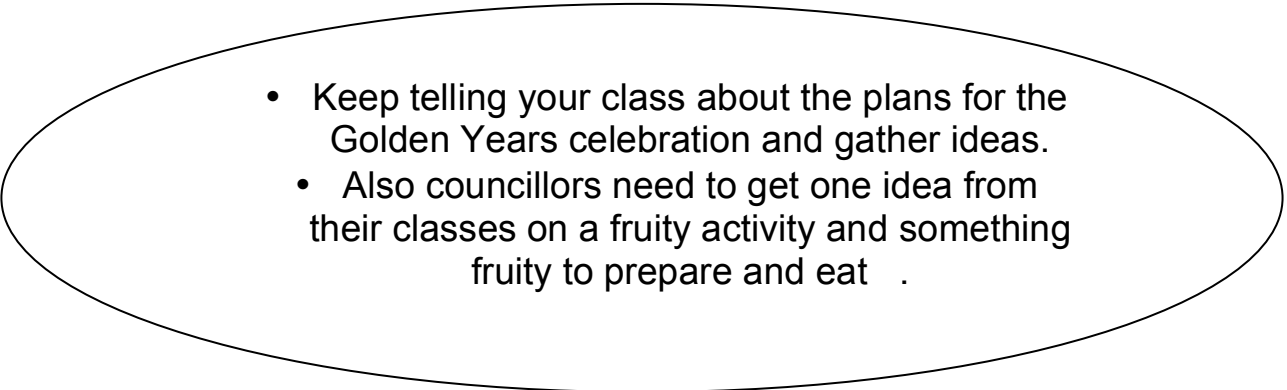

Chiara from year 6 attended the Golden Year's Working Party meeting there was lots of feedback. Here are a few ideas for the family picnic. We had ideas of fruit tasting sessions from around the world, a blindfolded fruit contest, fruit kebab and fruit face making, water melon race, fruit squeezing competition and many more. **Councillors were asked to discuss with their class and Teachers and choose one idea that their class or cohort could organise for the family picnic so that there would be activities for the families to have a go at.**

Mrs Tomlinson has put forward four logos and we shall hear how they got on very soon.
