2. Minutes & Matters Arising

In this School Council meeting all the children put their roles and responsibilities into action and they were brilliant. The FOWWS would be attending assembly to present a cheque for £3000 so children were asked to come up with some ideas about how to spend the money. The FOWWS will speak about the similarities in job roles that they share with the School Councillors. Jo from fundraising attended so we will hear what great ideas she has. Key Stage 1 children had received their attendance rewards which were most enjoyed.

3. Fundraising

After the visit from Mrs Williams told us about the KiSS charity, Councillors went back to classes and spoke about how the children would like to make it the school charity of the year. The feedback was unanimous and all classes agreed. Now Councillors need to go back to classes and explain what is involved with this charity and bring back some fundraising ideas.

4. The New Build

The Children were told in our last meeting that the Architect and Project Manager for the new build would be attending our next School Council meeting. The children were asked to go back to their classes and come up with some questions for them. The response from all the classes was brilliant. There were well over 60 questions. Unfortunately all these questions maybe not be asked due to time restrictions but they will be grouped so that we cover as many as we can. The new build plans will be available for the children to see and speak to

the Architect about as well. There is a lot of excitement from the children on this subject and we can't wait for the next meeting.

5. AOB

Jo attended the meeting today and spoke to the Councillors about her idea for Fairtrade Fortnight. This would entail organising a tuck shop selling Fairtrade items. We would purchase only Fairtrade items and sell them. With the money from the sales this would go to the KiSS charity. This is planned to take place on Friday 10th March.
