Members of staff: Ms Tomlinson, Miss Gregory and Miss Battersby. And our visitors Chris Pearson (Project Manager) and Steve Fitch (Architect).

#### **2. Minutes & Matters Arising**

In this School Council meeting our main focus was the visit from the Project Manager and Architect for the new build. We had the new plans on show and all the Councillors were organised with their set of questions and which they were asking. The Organisation Officers Pheobe and Mia collected our visitors and Connie took some great pictures and what a great job they did. When they arrived Chris and Steve explained who they were and what they did, and then the children went around and introduced themselves.

#### **3. Question Time**

Every Councillor asked 2 or 3 questions each. Every child took

part, they listened well and were very confident. Steve and Chris brought some pictures in for the children to look at what they had built before which was great as this was one of our questions. Steve asked the children what colours they would like throughout the school. Councillors came up with some great colours like blue and magenta. So maybe Councillors can take this back to their classrooms to see what other colours the children come up with. They explained that everything in the school has to have a colour from the doors and floors to the ceilings. There were a few items spoken about in this meeting in addition to the question list. A scooter park and a new bike rack were mentioned. The kitchen in the Sunshine Building will become a Food Technology area. We will be holding a coffee morning so parents can be invited to come and see the plans.

#### 4. Fundraising Events

Since our last School Council meeting Fair Trade Fortnight has been taking place in school. So hopefully we will have some great feedback on that and also anything from classes on the KiSS charity. Mrs Williams is going to arrange a visitor to come and talk in assembly to explain more about the work of this charity.

#### 5. AOB

Please discuss the answers to the questions with your classes. We hope to hear some good feedback.

#### 6. Date of Next Meeting

Next meeting: Friday 17th March - 1.15pm in the Rainbow Room.
