A message from our Head Teacher...

It was great to welcome so many family members to the anti-bullying assemblies, led by the children. We know that our children have a good, age appropriate understanding of the issues around bullying. The School Council has developed a child-friendly anti-bullying policy for each class and now we need to put the principles into action when we are at school, at home and out and about in the community. Thank you for your support as it is important that we all work together to keep our children happy and safe.

I am looking forward to all the special activities planned in December; I love to hear the children singing their Christmas songs! I hope that you can come and join in with the Christmas crafts or attend a Christmas performance.

If you are a Year 1 parent and want more information please see Mrs Bott or Mrs Ullein.
