Working in partnership works!

We want to work with you to make sure your child feels happy, cared for, safe, ready to learn and do their best.

Working in partnership means that your child will be able to achieve their best.

Staff and Governors at Willow Wood Primary School believe that pupils will have the best opportunity to achieve their full potential if school, parents and pupils work together in partnership. This Home School Agreement defines some of the relationships and responsibilities that are part of such a partnership.
