Close for Summer	24.7.18 2.00pm

A message from our Head Teacher

Life is very busy in school at the moment with children pursuing all sorts of exciting learning opportunities from playing with the Halle orchestra to visiting the Sikh Gurdwara to performing poetry at the DFest to sketching at the pier head in Liverpool. These enriching experiences are an important part of a good education as they open children's eyes to different experiences and broaden their horizons. I have been spending time thinking about each child as I write a comment on their report and reflecting how much they have grown, learnt and developed during the year. Willow Wood is certainly a great place to be!

Sports Day

What a fantastic day the children had on the 12th June for Sports day. I hope you all enjoyed it, the weather was perfect! Thank you so much to all of you who came, it was great to have so many joining us. There was a lovely atmosphere throughout from the picnic lunch, through the multi-skill group activities to the races. It was lovely to see the children being competitive and determined but also showing great encouragement and sportsmanship towards each other throughout the day. Well done to the winning teams Russia & Australia!

Molecular Marty

On Wednesday 27th June, Willow Wood welcomed Molecular Marty (from Fun Science Cheshire) to deliver a fun, fascinating and interactive assembly. Molecular Marty entertained and taught us about chemical reactions and electricity. KS2 and KS1 children were amazed and intrigued as they inflated a balloon using a chemical reaction that released carbon dioxide; sprinkled iron filings over a bunsen burner flame; powered an electrical light using a Van de Graff to name a few.

Should you wish to learn more about Molecular Marty or even book for an amazing Science birthday party, visit : www.funscience.org.uk

New Build Celebration

Thursday 19th July 2018

Please come and join us as we celebrate the opening of our new-look Rainbow Building.

9-10am - Tour of the School - All Welcome

10-10.30am - Assembly (by invitation) Refreshments will be served in the Sunshine Building for visitors

10.30-11.00am - Celebrations continue on the Rainbow Playground

Nursery Stay & Play

Thursday 5th July
2 - 3pm

If your child is 3 before the end of August you are entitled to 15 or 30 free nursery hours.

Come and visit our amazing nursery!

Summer Learning Celebration

On **Friday 13th July** you are invited to come and share all your child's amazing progress and achievement at our

Summer Learning Celebration—9.00am—10.30am

Your child will be able to share all their books and learning with you and this will also be your opportunity to collect your child's report and discuss any concerns or celebrations with your child's teacher. Please come to school between **9.00am and 10:30am**.

FOWWS Summer Fair

Thursday 19th July 3:15pm

Please come along and enjoy the FOWWS Summer Fair and look out for the Rainbow theme!
