in September to  
£2.30 per day  
frozen until July

## Fond Farewells!

This year we are saying good bye to 4 of our amazing members of staff. Miss Coy & Mrs Stone are off to teach in new schools, Mrs Draper is relocating to be near her first granddaughter and Miss Robinson is due to have her new baby in the autumn.

I'm sure you will all join us in wishing them well on their new adventures!

## A message from our Headteacher...

A heartfelt thank you to everyone who has contributed to an amazing term and year culminating in our new Rainbow Building celebrations. This was Willow Wood's chance to shine and the children were dazzling as

they sang, danced and performed poetry in an amazing rainbow arc in the playground for an audience of parents and carers, friends, governors and dignitaries including Mark Parkinson, Director of Education and Councillor Gina Lewis, Mayor of Winsford.

During the assembly the children shared the values which are important to Willow Wood and it was humbling to hear them talking about respect, friendship, democracy and the importance of learning for example. The Director of Education then spoke about how proud of Willow Wood Community Primary School he is and acknowledged the amazing improvement journey every child, staff member, governor, parent/carer and community partner has contributed to. Well done Willow Wood! I felt so proud of every single member of our brilliant school community!

## Year 6 Leavers—Oliver

Year 6 signed off in style this morning in a special Leavers' assembly. A massive thank you to all the parents and carers who joined us in this final Year 6 Willow Wood celebration. I am sure everyone would agree that they put on a fantastic performance of 'Oliver' and we are extremely proud of them all. The acting, singing and dancing provided an opportunity to demonstrate the array of talent our pupils have to offer. We wish them all the very best for the future!

We would also like to thank Beth James (Head Girl, Winsford Academy), who has been working with Year 6 over several weeks, for choreographing and teaching our Year 6 cohort two dances which were performed with aplomb during the production- not only is Beth a fantastic dancer, she demonstrated she is a fantastic teacher too.

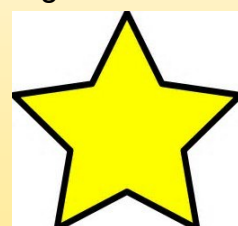

## New Build Celebration

Wow, what a fantastic day we had officially celebrating our new Rainbow building. It was lovely to see so many of our parents, past colleagues, members of the community and the team that helped design and build the building. The children looked fantastic in their rainbow coloured t-shirts and we were all so proud of them for their hard work and performances on the day.

We also welcomed Mark Parkinson who is the Director of Education. He said he was very impressed by how amazing the children, staff and our new environment were. He also praised all the staff for their hard work and how it was evident that they had all contributed to the successful journey that Willow Wood has taken along with governors and partners.

After the assembly we all enjoyed some delicious rainbow cake that was baked by the very talented Laura Nelson one of our Family Support Workers. All the children had a cake during their parties on Friday. A big thank you to everyone who has contributed towards the new build and for coming to celebrate with us.

## EYFS & KS1 Family Day Out to New Brighton

What a fabulous day we all had in New Brighton! The weather was kind to us, no rain and not too hot. I especially enjoyed watching all the children working with their parents to make their kites fly high in the sky! What great team work!

## Summer Fair

A big thank you to everyone that came and supported our summer fair this year!

**We raised an amazing £730!**

All the money will be spent on resources for your children.

Learning Today for Tomorrow
