A message from our Head Teacher...

We have enjoyed a busy and successful few weeks since returning after half term. Children, staff and governors have been reviewing the vision we have for Willow Wood and what we value and appreciate about our school. We want our children to be well educated by being happy, healthy, here and learning. The children like their kind and caring Teachers and Teaching Assistants, the fun lessons, the colourful environment and all the exciting learning opportunities that they are offered. As parents and carers are a vital part of their child's learning journey, we are keen to know what you want for your children as they progress through Willow Wood. Please take time to complete the attached reply slip to let us know or speak to any member of the FOWWS, staff or governors. Thank you!

Lantern Parade

This week Redwood class worked with artist, Mrs Barr to create paper mache lanterns for the Winsford lantern parade which takes place this Friday. They all created finished lanterns, made by pasting tea-bag paper onto complex frames which they built themselves. The resulting lanterns are very beautiful and will look amazing on Friday!

FAST is coming...

Families And Schools Together (FAST) is a weekly club for year 1 families to attend together each week starting in January. Families get to spend quality time together, playing games and having a meal, then parents get some child free time to have a coffee and a chat.

If you are a Year 1 parent and want more information please see Miss Hughes or Mrs Ullein.

Please complete and return this slip to your child's class teacher.
