3. Organising a talent show.

Councillors listed all jobs that would need to be done i.e. advertisement, music, lighting, judges, date, time, venue etc. Everybody was assigned a job to do and all was agreed on the people they would like to judge the show such as the Chair of the Friends of Willow Wood. There will be two acts decided from each year group. Key Stage 1 will perform and then Key Stage 2. At next meeting Councillors will confirm their job roles and discuss what has been arranged with their classes. Auditions will need to be run in the classes so that a running order of acts can be decided.
