## **1. Legislative framework**

1.1. This policy has due regard to statutory legislation including, but not limited to, the following:

- UN Convention on the Rights of the Child
- UN Convention on the Rights of Persons with Disabilities
- Human Rights Act 1998
- Special Educational Needs Regulations 2014
- Education and Inspections Act 2006
- Equality Act 2010
- The Equality Act 2010 (Specific Duties) Regulations 2011

1.2. The Equality Act 2010 provides a modern, single legal framework with three broad duties:

- Eliminate discrimination
- Advance equality of opportunity
- Foster good relations

1.3. Willow Wood Community Primary School fully understands the principles of the Act and the work needed to ensure that those with protected characteristics are not discriminated against and are given equal opportunities.

1.4. A protected characteristic, under the Act, is as follows:

- Age
- Disability
- Race, colour, nationality, ethnic or national origin
- Sex (including transgender people)
- Gender reassignment
- Maternity and pregnancy
- Religion and belief
- Sexual orientation
- Marriage and civil partnership (for employees)

1.5. The Act makes it unlawful for the responsible body of a school to discriminate against, harass or victimise a pupil or potential pupil:

- In relation to admissions.
- In the way it provides education for pupils.
- In the way it provides pupils access to any benefit, facility or service.
- By excluding a pupil or subjecting them to any other detriment.

## **2. Principles and aims**

2.1. We see all learners and potential learners, and their parents and carers, as of equal value, regardless of their race, gender, disability, religion/belief, sexual orientation or age.

2.2. Our policies, procedures and activities must not discriminate but must nevertheless take account of differences of life-experience, outlook and background, and in the kinds of barriers and disadvantages which people may face in relation to their race, gender, disability, religion/belief, sexual orientation or age.

2.3. Willow Wood Community Nursery and Primary School will promote race equality and have due regard to eliminate unlawful racial discrimination, promote equality of opportunity and promote good relations between people of different racial groups.

2.4. Willow Wood Community Nursery and Primary School will promote disability equality throughout the school, ensuring equality of opportunity, eliminating unlawful discrimination, eliminating disability-related harassment and encouraging participation by disabled people in public life.

2.5. Willow Wood Community Nursery and Primary School will promote gender equality by eliminating unlawful discrimination and harassment, and promote equality of opportunity between men and women, girls and boys.

2.6. Transgender people are explicitly covered by the gender equality duty. For the purposes of this policy, the term 'transgender' refers to an individual whose gender expression or identity is different from that traditionally associated with the sex they were assigned at birth. This school will respect the confidentiality of those seeking gender re-assignment and will provide a supportive environment within the social community.

2.7. Willow Wood Community and Nursery Primary School is opposed to all forms of prejudice and recognises that children and young people who experience any form of prejudice-related discrimination may fare less well in the education system.

2.8. Willow Wood Community Nursery and Primary School will ensure that all staff comply with the appropriate equality legislation and regulations.

2.9. Willow Wood Community Nursery and Primary School's Admissions Policy will not discriminate in any way.

2.10. The school will:

- Ensure staff are aware of their responsibilities, are given necessary training and support, and report progress to the governing body.
- Ensure that the recording and reporting of equality and diversity is sufficiently scrutinised e.g. data- progress of groups
- Foster positive attitudes and relationships, and a shared sense of cohesion and belonging, and ensure this is promoted in our policies, procedures and activities.
- Observe good equalities practice in staff recruitment, retention and development, and ensure that all policies and procedures benefit all employees and potential employees regardless of their race, gender, disability, religion/belief, sexual orientation or age, and with full respect for legal rights relating to pregnancy and maternity.
- Reduce and remove inequalities and barriers that already exist.
- Engage with a range of groups and individuals to ensure that those who are affected by a policy, procedure or activity are consulted and involved in the design of new policies, and in the review of existing ones.
- Ensure that policies, procedures and activities benefit society as a whole, both locally and nationally, by fostering greater social cohesion, and greater participation in the public life of everyone, regardless of their race, gender, disability, religion/belief, sexual orientation or age.
- Ensure staff promote an inclusive and collaborative ethos in the school, challenging inappropriate language and behaviour, responding appropriately to incidents of discrimination and harassment, and showing appropriate support for pupils with additional needs, maintaining a good level of awareness of issues surrounding equalities.

### **3. Objectives**
