It is important to encourage the application of subject skills and knowledge skills and knowledge when reading words containing taught GPC. This may take place in both during teacher-led activities (e.g. 100% decodable Guided Reading <i>and</i> Shared Reading books) and across the provision as part of a broad and balanced EYFS provision.</p>

Skills and Strategies

Book Handling skills – holding the book the correct way and turning pages
 Looking at each page in order and following top to bottom, left to right direction of print
 Use a phonics first approach for decoding unfamiliar words and practicing known graphemes
 Blend known graphemes together when reading words
 Segment known graphemes when decoding words

Identify simple text features such as titles and pictures to indicate what a text is about

Talk *about* books make meaning from visual features of the text, e.g. illustrations and captions to help discussions about books and characters (when not decoding words)

Building on Previous year and throughout Year R Focus on:

- Recognise that words are constructed from phonemes (sounds) and that phonemes are represented by graphemes (written letters)
- Recognising high-frequency words
- Self-correction using phonics first strategy

Build on Previous Term & Focus on:

- Read simple captions
- Recognising increased amount of high-frequency words
- Show an awareness of full stops when reading

Development Matters

•Use phonic knowledge to decode regular words and read them aloud accurately

- Continue a rhyming string
- Hear and say the initial sound in words
- Segment the sounds in simple words and blend them together and know which letters represent some of them
- Link sounds to letters, naming and sounding the letters of the alphabet
- Begin to read words and simple sentences
