Minutes from the previous meeting

The group went through the items discussed at the previous meeting and agreed they were a correct record of the meeting.

2. Children in Need

The group discussed Children in Need event which was Friday 14th November.

They were asked to come up with ideas for the event and then vote for their favourite.

Nominations were received for the following themes:

- Pyjama day
- Aspirational dressing up day – how you intend to be in the future
- Pudsey Bear fun day – dressing up, games, disco, cake sales etc.

The group had a vote and the winner was Pudsey Fun Day! A text would go out to parents to let them know.

3. Attendance Rewards

Ms Tomlinson provided the group with results of attendance and asked members to look at how their year had performed.

The group discussed ideas on how good attendance could be rewarded:

- Random rewards - prizes in a hat to be drawn out
- Certificates
- £10 prizes to be saved for an end of year class treat or visit

The group decided that 100% attendance was not always possible and so it was decided that the £10 prize would be given to classes with 98% or above. Mrs Yates would devise a monitoring display board to show how each class was performing. Members of School Council would encourage their class members to improve their attendance for the benefit of the whole class.

4. Open Morning

The school would be holding an open morning on Thursday 20th November. Parents, grandparents, aunts and uncles could all come along and see everyone in the school hard at work. Year 5 and Year 6 could help the Head and Governors to escort visitors around the school.

5. Roles & Responsibilities

The group discussed the roles and the qualities that were needed to do the job well, then members were voted into roles:

Chair Person	Lauri
Vice Chair Person	Millie
Treasurers	Lexi, Laila and Anthony
Secretary	Lauren
Time Keeper	Daniel
Organisation Officers	Mia, Shauna and Hope
Communication Officers	Ethan, Sophie and Rose

Lauren was elected as Secretary in her absence.

6. Spelling Bee

Ms Tomlinson would ask at the Winsford Education Partnership (WEP) whether a spelling bee could be arranged between local schools. If this was not possible then members of the School Council could organise their own competition to find our own best spellers.

7. Curriculum Consultation

Members of the group were informed that a curriculum consultation was going to take place with the pupils at Willow Wood. To be included on the next agenda.

8. Date of next meeting - Friday 21st November 2014
